1964 CAVALIER

What Is Central?

CENTRAL AUGUSTA HIGH SCHOOL, built in 1961 was designed to accomodate two hundred fifty high school students who are residents of Augusta County. We believe our physical plant, our curriculum, and our faculty to be among the finest in the state of Virginia.

To these fine facilities, we are using this volume of the cavalier to make the public acquainted.

Staunton, Virginia

FOREWORD 1964

We the 1964 Cavalier Staff, have strived to do our best to compile a yearbook that will give enjoyment to its recipients in the ensuing years.

Life's most priceless possession is knowledge. Confusing and bewildering events often assume their true perspective as they take their places in the world. Many times the greatest happiness exists only in the world. Many times the greatest happiness exists only in the beauty of cognizance.

This 1964 EDITION of your yearbook is attempting to present the personalities and experiences of the students of Central Augusta so that you may have a deeper appreciation and understanding of the true character of Central Augusta High School. We hope that this pictorial review of today's realities will make a richer and more meaningful memory as the many tomorrow's came to all of us.

"One Step at a Time, but Always Forward," has been our motto; and surely, that is the way we have complied the "Cavalier." To future graduates, may it present a challenge to do your best work -- never to abandon your search for knowledge and truth.

Now we present to you the 1964 "Cavalier;" may it always bring you the fondest of memories.

The Staff -- Harriet Winston, Editor-in-Chief
